**Library 2.0: Service for the next-generation library**

Michael E. Casey and Laura C. Savastinuk in Library Journal, 9/1/2006

"Administrators and taxpayers are seeking more efficient ways of delivering services to achieve greater returns on financial investments."

"Library 2.0 could revitalize the way we serve and interact with our customers."

"technology can help libraries create a customer-driven, 2.0 environment"
